Letter Of Recommendation

4/19/2022

To Whom It May Concern,

I am writing to offer my recommendation of CBHF engineers for their PM&E engineering services. In 2018/19 CBHF provided professional engineering services for our new North Carolina Regional Office, located in Wilmington North Carolina.

The scope of this work included services for a new 43,000 Square foot - banking retail and office facility. CBHF provided professional services for our project thru changes and compressed build schedule.

I would highly recommend CBHF and their staff for future work.

Sincerely,

A handwritten signature in black ink that reads "Randy Hamilton". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Randy Hamilton
Facilities Project Manager
